City-wide Garage Sales are going to have a facelift this year

1. The date will be changed to the 2nd Saturday in June (9) so we won't compete against My Waterloo Days.

2. The Library will be the "new" sponsor. The fee will be \$5 per location, payable at the library when you sign up. Do not call - be in person.

3. Last year we had 16 locations that did not sign up or pay, hence I was forced to make changes. Other area small towns have their library as the sponsor, so we are patterning ourselves after them.

We are apt to forget that children watch examples better than they listen to preaching.

Visual Smoke Detectors

Visual Smoke Detectors Now Available for Iowa's Deaf and Hard of Hearing

Ray Reynolds and Dan Wood from the State Fire Marshal's Office and the Office of Deaf Services would like to announce to all Iowa Deaf and Hard of Hearing citizens that the State Fire Marshal has received a \$40,000.00 grant from State Farm Insurance to purchase sound/visual smoke alarms and install electric smoke alarms in the homes of Deaf and Hard of Hearing people in Iowa. This grant is for all Deaf and Hard of Hearing in our community and not limited to those households with Deaf or Hard of Hearing children. They want to make sure your life is easier and will provide equipment that could save

your life!

They will provide Kidde equipment that have both sound and strobe lights to alert people to fire in their homes. These specialized alarms are more expensive than regular smoke alarms and they want to make sure they have enough money to cover as many families as possible

They cannot guarantee that everyone will receive a smoke detector, but encourage you not to wait in getting your name on the list of possible recipients. To put your name on the list, please contact Linda Scott, Office Deaf Services, (515) 281-3164 Voice/TTY or 1-888-221-3724 or e-mail Linda at Linda.Scott@iowa.gov. Be

prepared to provide Linda with information on how many Deaf or Hard of Hearing people are in your household, the number of bedrooms in your home, and your contact information for our database. When the State Fire Marshal's office is ready to install the unit(s), you will be contacted to make arrangements to come to your home for installation.

Dunkerton Summer Rec 2012

by Cari Cox, Summer Rec. Director

It's that time of year again!! It's time to sign up for summer rec. t-ball, baseball and softball. Sign up forms have been sent home with students PK – 6 last week and need to be back to the elementary office by March 23, 2012. I will be at parent/teacher conferences on March 20th and 22nd from 4:00 – 7:00 for last minute sign ups.

Fees for this season will be \$15.00 for t-ball, 1st/2nd baseball and softball and \$20.00 for 3rd/4th 5th/6th baseball and softball.

We still are in need of coaches for t-ball and 1st/2nd grade softball and 3rd/4th baseball if anyone is interested in serving the community and making a difference in a child's life. We will also be in need of umpires for the 3rd/4th 5th/6th baseball and softball games. You will be paid for umpiring the games. If you are interested please email me.

If you have any questions please email me at dunkertonsumrec@gmail.com

When you forgive, you in no way change the past - but you sure do change the future.

Graham Selected for Award

Angie Graham has been selected for the 100 Great Iowa Nurses award for her consistent and unwavering dedication in the field of nursing. Her work in promoting health care for refugees over the years and work in TB prevention has gained her recognition from her colleagues and peers and led to her nomination. She has proved herself a leader and mentor for Black Hawk County and the state of Iowa. Anyone that has come into contact with Angie knows her work goes far beyond the healthcare field.

Her nominator had this to say:

“Angie is not only a great nurse, but a great humanitarian, civil rights advocate, leader, motivator and health educator.”

The award ceremony will take place in Des Moines in May.

Our congratulations to Angie!

Our Goal is in Sight

by Paula Winkers

Profits from Raider Rewards for this school year are right at \$2,500! Surely we can reach our \$3,000 goal by May! Don't forget to use Raider Rewards for all your groceries, gas and clothing needs. Eating out? We have gift cards from ten different restaurants on hand and can order cards from almost any national chain.

Using RR is a great way to support our students/school because you don't have to buy something you don't really want; gift cards are always of good use! The funds raised are used for playground needs, classroom materials, field trip/bus costs, books for READ distributions and assemblies. Thanks to all who have been using RR -- we hope you will continue to support our efforts!

Congressional Art Competition

Washington, DC – Rep. Bruce Braley (IA-01) today invited high school students from across Iowa’s First Congressional District to submit original artwork for the annual Congressional Art Competition, “An Artistic Discovery.” The Congressional Art Competition, first held in 1982, is a nationwide high school arts

competition sponsored by the US House of Representatives. One winning piece of artwork from each House district will be selected to be displayed in the Cannon Tunnel of the US Capitol Building in Washington for the next year. “I encourage Iowa high school students to participate in this year’s art competition,” Braley said. “There are many gifted young artists in eastern Iowa, and this is a great opportunity for their work to be displayed for thousands of people to see. It’s a great honor to feature the work of an outstanding young artist in the US Capitol.”

enter, students must submit a digital image of their artwork via Braley’s website. The submissions will be compiled into an internet gallery for public voting. The submission deadline is April 23rd, 2012. There is a limit of one submission per student. Voting will close on May 1st, 2012, and the winner will be announced. He or she will receive two round-trip airline tickets to Washington, DC, to see their artwork displayed and attend a winners’ reception. For full details on the 2012 Art Competition, including information on how to enter, please visit Braley’s website at <http://braley.house.gov/art-competition>.

LIBRARY NEWS

From:

Director

Join us Wednesday, March 28, at 12:30 to watch THE HELP, nominated for four Academy Awards, winner of Best Supporting Actress for Octavia Spencer's portrayal of Minny Jackson.

The Help is based on the best seller by Kathryn Stockett. Set in Mississippi during the 1960's, Skeeter is a southern society girl who returns from college determined to become a writer, but turns her friends' lives — and a small Mississippi town — upside down when she decides to interview the black women who have spent their lives taking care of prominent southern families. Aibileen, Skeeter's best friend's housekeeper, is the first to open up — to the dismay of her friends in the tight-knit black community. Despite Skeeter's life-long friendships hanging in the balance, she and Aibileen continue their collaboration and soon more women come forward to tell their stories — and as it turns out, they have a lot to say.

Success does not consist in never making mistakes but in never making the same one a second time.

School board meeting

I attended the 6 p.m. meeting and witnessed what I thought to be an unprofessional act when one school board member told another to sit out in the gallery of people rather than be on stage with the rest of them

All the school board members are elected to represent the district, students and constituents that put them in that position.

After the meeting the same school board member stopped in the parking lot and engaged in conversation with myself, my wife and other members of my family and we were chastised with slanderous remarks with one such tirade the school board member said, "you people are the reason students open enroll to other districts". I think not. In my 33 years of living in the school district I have never been approached or blatantly blamed as the reason for anyone to enroll their child in another school district.

I believe you owe the citizens of the Dunkerton School District an apology for your actions.

Tim Westergreen

Open Letter to School Superintendent

Hello Mr Stanton!

I write this email with great respect for your leadership at Dunkerton school since you came aboard as our superintendent.

I grew up in the "big town" of Dewar, not far from Dunkerton, so have been around the area all of my life. It is difficult to come in from the out-

side and become accepted and respected in this town.

You have shown grace and great interest in our town and school since you have been here. I appreciate all that you have done up to this point and look forward to your leadership taking Dunkerton even further and advancing us as you have done in the past.

Regarding this whole situation recently, I did not attend the meeting in Elk Run or show up last night at the school board meeting because I felt I would be "feeding" fuel to the flame. From what I understand it wasn't pleasant and I speak for many people when I say I wish I had attended to support you and the school board in what is a tough job to keep everyone happy and yet moving forward.

My perspective as an always-concerned parent is this: I have three boys in Dunkerton schools ranging from grade 6 to grade 10. My children have been raised to be kind, be respectful and use their best judgement. My husband and I have set the standard here at home for what we expect of our children and also how to deal with people that may share a different philosophy than they do or have learned here at home. The moral foundation that we have set here at home as parents allows my boys to hear a different point

of view such as what was expressed at the assembly last week and in turn, begin dialogue at home what they think, how they feel, etc. It is my job as a parent to direct my children in the right direction. There is nothing that could be said or done at school that does not come back to them making good decisions based on MY JOB AS A PARENT. It starts at home and too many people are looking for others to blame for literally everything.

Any concern I ever voiced was addressed by administration respectfully as well as promptly. I have been impressed to be called personally by administration when I have called to resolve an issue.

I hope that you continue your role for a long time as Dunkerton School's superintendent. You were forthcoming in the news interview that while you thought you knew what you were getting with the speakers/guests but were also apologetic for anyone that may have been offended. I appreciate that you didn't try to place blame or divert attention from this. It tells me that you are exactly what we need here at Dunkerton and if you can weather this storm you have plenty of support from the community!!!

Take care!

Building a Dream

PRESS RELEASE

Independence, Iowa – “Building a Dream in the Country” is delighted to announce a community fundraiser on March 17, 2012, with all proceeds going toward a new home for the Spece family of Independence Iowa. “Join us for food, fun and fundraising!” said Kathy Finholt of Building a Dream. “We’ve had such wonderful community response. We’re going to have a fabulous event!”

Admission is \$7 for adults and \$4 for children under 12. Festivities will begin at 4pm in the 4H Building on the Buchanan County Fairgrounds and continue until 9pm. Pork patties grilled by the Pork Producers, baked beans by Bill’s Pizza and Smokehouse, potato salad from McElroy’s Foods, desserts from Kathy’s Kakes and milk from the Dairy Producers are all on the menu. “I am so amazed at how many people want to help...this is incredible!” said Finholt. “Everything is being donated, or given to us at cost. Dunlap Motors even rented the building on our behalf!” Finholt also noted that all the entertainers are donating or significantly discounting their efforts.

The event will feature popular balloon artist and magician Mr. Nick and Make It Up face-painting. At 7pm, Nearly Elvis will perform. In addition, there will be a silent auction, door prize drawings and t-shirt sales. Drawing winners will be announced at 8 pm and the

silent auction will end at 8:30pm. Finholt noted that the prizes are “exceptional” and were donated by people and businesses throughout the region.

Every dollar raised will go toward Building a Dream in the Country’s goal of a new and accessible home for Sue Spece and her three adult children. All three children are wheelchair-bound due to spinal muscular atrophy (a form of muscular dystrophy), yet are all college graduates and business owners. The Spece family was recently passed over for an Extreme Makeover: Home Edition episode, and Building a Dream decided to get the job done themselves.

A recent open house fundraiser – featuring the Extreme Makeover home of the Gibbs family of West Union – exceeded all expectations. An Aurora American Legion pancake breakfast and Winthrop St. Pat’s fish fry were also successful. “We’re one-fifth of the way to our goal already!” said Finholt.

Many more fundraising events are being planned in support of the Building a Dream in the Country project. A Facebook page has been established for the organization and can be reached through their website at www.buildingadreaminthecountry.com. Donations to Building a Dream in the Country can be made at any Bank Iowa location or mailed to BankIowa, PO Box 229, Independence, Iowa 50644.

Fund Raising Event

Realife Church @ 607 Bishop Ave opened its doors on Easter Sunday 2011. Since starting the church its youth programs and kids club have grown to around 30 kids in attendance weekly, every Wednesday at 6:30pm. In February a generous donor, who knows the benefits that camp can have in the lives of young people, paid to send 15 middle and high school students on a weekend youth retreat to Cedar Springs in Floyd Iowa. With the youth and children's ministry growing Realife church has found the need for fund raising to assist the youth & kids to be able to attend a week long camp this summer. Two fund raising events are planned for April:

- Palm Sunday Breakfast April 1st from 7:30am-9:30 am. The Real Deal Youth will be serving a \$5 breakfast of french

toast, scrambled eggs with ham, juice and coffee. This is a breakfast open to the community. Realife church has a handicap accessible ramp.

- On Friday April 27th & Saturday 28th there will be a "Spring into Summer Craft and Rummage Event" at the church. The proceeds from the space rentals and concessions will go to the camp fund. If you are interested in being a vendor and selling your wares please contact Bev Frost at ph# 319-883-9526 or Michele Feltes at 319-334-0156 or by email at michele.feltes@gmail.com for an application/contract.
- Future fundraising may be youth/leader yard work for hire. Feel free to call Michele Feltes to inquire about scheduling assistance.

Thank you

50th Anniversary

Thanks to family and friends for the gifts, cards and calls on our 50th Anniversary. You made the occasion very memorable and enjoyable. We do appreciate you all. Russ and Barb Nesbit

Thanks for support

Thank you to our friends, family and community for your outpouring of support. Your kind gestures, words, hugs, tears, generosity, thoughts and prayers eased our sorrow and gave us strength. Words cannot express our sincere appreciation. The family of James "Joe" Magee

Wapsie Valley Ag 4

Fundraising

The month of March is going to be busy as the Wapsie Valley Agriculture 4 class starts their fundraising to go to the Chicago Board of Trade

on May 1st through 2nd. The class is working on doing fundraising and would like to invite the community to their fundraising events. On March 24 we will be doing a car wash and grilling at Jerry's Auto in Fairbank from 10 a.m. to 2 p.m. The car wash is a free will donation with a minimum of \$5. We wash the outside of your car and clean the inside. We will also be grilling hamburgers and hot dogs! On April 28th we will be having a car and tractor show in Fairbank at Bentley Park. This event will run from 8 a.m.- 2 p.m. There is a \$10 entry fee and 25% of profit goes to Jake Lein, who has type 1 diabetes. This event has fliers around the local towns with more information. If you want to know more information on the car and tractor show you can contact Nathan Westemeier at 319-404-5165. The Ag class greatly appreciate your support in all the help the community provides for us in our fundraising! Just a reminder that there are four kids from Dunkerton who are involved in Wapsie's FFA and ag classes. Thank you for the support!

If kids come to educators and teachers from strong, healthy functioning families, it makes our job easier. If they do not come to us from strong, healthy, functioning families, it makes our job more important.

What is a CRT?

A Cathode Ray Tube (CRT) is a specialized vacuum tube in which images are produced & can be found in older TV sets & computer monitors. Although not banned from Iowa landfills, they contain trace amounts of phosphorus & cadmium plus 6-8 pounds of lead. A CRT appears in the unit as a funnel-shaped leaded glass tube with a metal frame inside. This shape gives older TVs & monitors that big bump in the back!

Not Accepted

Appliances (microwaves, dehumidifiers, washers, dryers, refrigerators, freezers, stoves, etc)
Paint (of any kind)
Motor oil & antifreeze
Ammunition
Fire extinguishers & smoke detectors
Alkaline batteries (AA, 9 volt, etc)
Asbestos
Radioactive materials
Tires
Non-hazardous waste (please use your weekly garbage service)
Business waste of any type (please call for a list of vendors that work with local businesses)
